

Important COVID-19 Update

January 13, 2021

Dear Residents:

As announced on January 12, 2021, the province of Ontario has implemented additional measures to reduce the spread of COVID-19. Effective January 12, 2021, a State of Emergency has been declared for the province and a Stay at Home Order has been issued effective January 14, 2021 until at least February 11, 2021.

In an effort to prevent the spread of COVID-19, we are limiting work within the building and in residents' suites within the spirit of the current emergency order.

If you are isolating or feeling unwell you should not permit non-household members to enter your unit.

Our staff members will continue to follow stringent health and safety protocols, including the use of personal protective equipment (PPE) in accordance with our COVID-19 Safety Plan. Enhanced cleaning routines that have been in place throughout the pandemic remain in effect. All contract service providers are also required to follow our and their COVID-19 Safety Plans.

As a reminder, you must wear a mask or face covering in all enclosed common areas of the building at all times under the applicable government orders, except where you are excluded by the government limited exemptions. Please refer to the notices posted in your building.

If you have questions about the measures undertaken in your building, please email us at rentals@375baymills.com or speak to your building manager.

Sincerely,

BAY MILLS PLACE
